Mr. Bob McCollom
Dartmouth Class of 1957 Post Reunion Retreat
Post Office Box 305
South Woodstock, VT 05071

Dear Mr. McCollom,

Greetings from the Basin Harbor Club! Thank you for inquiring about our property for Dartmouth Class of 1957 Post Reunion Retreat. Basin Harbor Club is a beautiful, special place where groups gather to strengthen bonds, revitalize creativity and gather fresh ideas.

The tradition began in 1886 and has placed Basin Harbor among New England's most established resorts. Through the years, the resort has grown to 700 acres that include 3 historic guesthouses and 77 cottages, totaling 144 rooms. A golf course, spa services, grass airstrip, nature trails, acres of noteworthy gardens, and more, are additional amenities that compliment the resort. We are also proud to have our property included in the Audubon Cooperative Sanctuary Program. You may even spot one of the Bald Eagles that frequents the trees among the property.

Guests appreciate the uniqueness of Basin Harbor's historic rooms and distinctive cottages. Guest accommodations are beautifully appointed and range from our Historic Guest Rooms to Cottages; all have views of either our gardens or Lake Champlain, with numerous views of the mountains. Each accommodation is different and has it's own attributes: a view of the lake, golf course or colorful gardens, a fireplace, an open deck or screened porch, a wet bar, unique Vermont artisan screen doors, all which make each cottage special. Cottages provide room to spread out and afford seclusion when desired. All accommodations are within easy walking distance of meeting rooms, dining and activities.

Our resort offers over 8,700 square feet of conference facilities in a natural and beautiful setting. This is not counting our outdoor "meeting rooms" with colorful Adirondack chairs overlooking the lake! We can comfortably accommodate general session meetings for up to 225 or small board meetings. We offer knowledgeable and accessible service staff to assist with set up and a/v requirements of the meeting.

As a member of the "Vermont Fresh Network", our Chef's use fresh local ingredients when designing menus. Your choices for meals include our lakefront Main Dining Room, our casual Red Mill Restaurant or private dining in one of our many indoor or outdoor locations. A favorite is The North Dock, which juts out over the lake and is an unparalleled venue for theme meals such as our lobster bake, pig roast, or barbecue. You may opt
