Post Reunion at Basin Harbor
Bob McCollom

This is the final notice for our 55th and your committee has been finalizing the plan and now has most all elements in place for us to have a wonderful time together in just over a month. We have ordered the reunion souvenirs which now include a green vest with our logo as shown above left - identical to the logo on our 50th jackets. Just a reminder that it is drawn from the wonderful weather vane over Baker Library.

Each couple (or individual attendee) will also receive a very special CD that we are ordering from the Cincinnati Pops shown to the right. It consists of fifteen pieces that Eric directed, loved and was known for.

Erich will also be honored at several events at the reunion and his widow Brunie will be attending with her close friends Ginny and Randy Aires. Nice to see that Pat Pascoe will also be joining our group and we encourage other widows to join us.

Below is a list of 99 that have signed up and the total count stands 188. The red print confirms that payment has been made and this may be a little behind. Unless you just recently sent a check, if there is any doubt give Rick Lee a call at 301 762 0008. If you have yet to pay make sure you send in your check before May 15 to get the lower rate.
